Commodore's Comments

Although the weather was challenging, our annual **Australia Day Regatta** weekend was a great event, enjoyed by all and well supported by members.

Congratulations to all those who were successful and to Stuart Ridge in particular who was the Regatta Champion.

Thank you to all those members who made this possible by volunteering to organise or work in various areas throughout the weekend, again the friendship and support of Bendigo Yacht Club were on display.

A lovely evening of wine tasting was had on Friday, **Amstead Winery** supplied some lovely samples of their produce, wine and beer. We will certainly be taking a cruise to their vineyard in the very near future.

Poyser Motor Group had us all considering "*do we need a new car?*" with their display of Utes' over the weekend. Thankfully they were not damaged by hail on Friday. If you are in the market for a new tow vehicle make sure you visit them, I certainly will.

Bendigo Yacht Club will be hosting the 2018 **125 and Javelin State Titles** on the Labour Day Weekend, Saturday 10, Sunday 11 & Monday 12 March. We are expecting a large number of boats and sailors.

If you can be of assistance either with on shore in the control room, canteen etc or available to undertake Rescue boat duty, please let us know as we are currently preparing a roster. Many people ask how they can help around the club, now is your opportunity to assist in a fun and fundraising weekend. An email will be coming in the next week with regard to this weekend and duties to be filled. Thank you to those kind members who have already agreed to assist over that weekend.

Thank you again to members who have been so supportive of our new **Canteen Roster**, it has eased the pressure on those who undertake this job. These duties are often considered an easy task; they are not, there is much to do in preparation, not just serving the members. Before each Saturday, **Judy Heath** and **Maria Forbes** organise the menu and do the shopping, the baking and ferrying it to the club. The tables are cleaned, the temperature of the fridges are checked and recorded, the canteen is scrubbed, the tea and coffee facilities are prepared, the food is prepared, the baskets for the rescue boats are organised and that's just the beginning of the day. So, your help in this area is greatly appreciated, we could not keep it up without you.

We are certainly fortunate to have a club where everyone is working toward the same goal, the success and ongoing benefit of the club. **Everyone in our club is valued** and *kindness and consideration* are imperative to keep it a family friendly environment. Many of our members are new and look to those current and long term members to assist them and make them welcome with support and consideration.

So, when something goes amiss, remember before you speak to someone, consider, *is it kind and is it necessary?* Friendship is what makes our club such a success, let's keep at it!

Andrea.

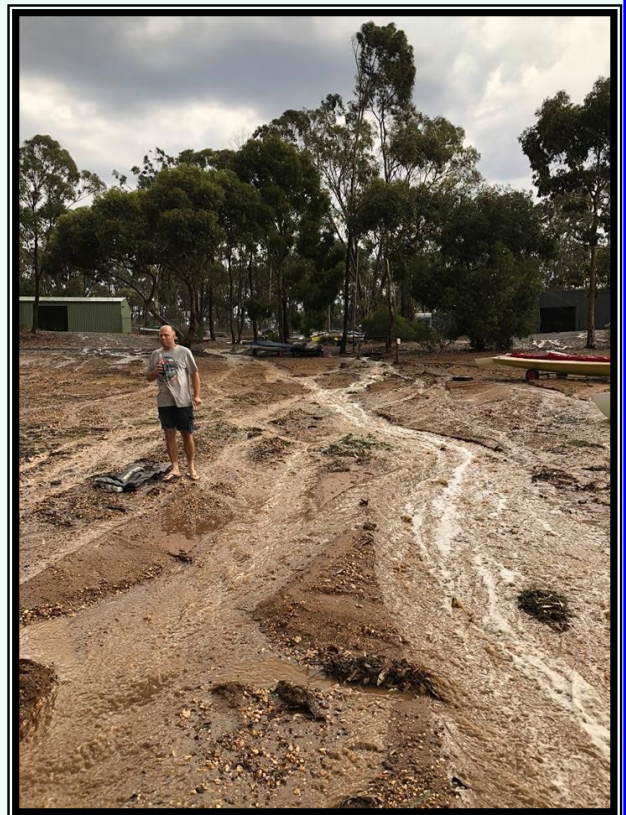

Eppalock Shows her Wild Side.

The afternoon of Friday 26 January and our annual Australia Day Regatta was underway. The race began in very hot, sultry, almost windless conditions, and as it continued the clouds began to build and it was obvious a storm was on it's way.

The race was over and all yachts off the water and members and guests were preparing to sample some of Armstead Winery's goodies, when it hit. The island disappeared and then the jetty. Hail thundered on roofs and the club house guttering was unable to take the deluge. The wind whipped the lake into a frenzy and waves rose to a height rarely seen. Rescue boats tied to the jetty took a hammering and at times *Kimbolton* and *Donald* were blown onto the jetty.

Within 15 minutes it was over and Eppalock soon returned to the placid stretch of water we all know and love. The boat ramp was left covered in rubble and the recently cleaned barbecue area in a mess, covered with bark and litter. A couple of the cats were casualties of the wind as well but luckily they were undamaged, as were the Rescue boats.

Thankyou to Hughbert Alexander and Anton Beens who braved the storm to take some great photos, and thankyou also to Johnny and Dan for their input.

Maintenance Matters with Capt'n Ron.

There were a few maintenance issues during January. The flag halyard on the flagpole outside the common room disengaged itself from our Australian flag and ended up at the top of the flagpole. An effort by several members retrieved the halyard by partly lowering the pole onto the clubhouse roof.

The outboard motor on Johnson continues to be an issue due to idling problems. Nankervis's have been engaged to investigate the problems but because of their heavy workload they will not be able to attend to this matter for a couple of weeks.

The lawn at the front of the clubhouse is looking fantastic thanks to the turning on of the sprinklers by a couple of our members. All members are encouraged to make their own contribution to the upkeep and beautification of the clubhouse and surrounds. As usual it is also appreciated when the responsible B & G person is notified.

The flag pulley ropes on *Campaspe* have been noted as in need of replacement. New cordage will be purchased and the ropes replaced in the coming weeks.

The storm we had on Australia Day has worsened the erosion of our roads and foreshore area. A plan to contour these areas to prevent this happening again will be implemented as part of our ongoing maintenance plans.

Our finances have taken a hit due to expenditure on some urgent upgrades to our safety systems so our planned upgrade to the much needed BBQ area seating and tables has had to be delayed until our financial situation improves.

Cheerio.

For any maintenance or safety issues you might come across, please use the "Maintenance Request Form" which is attached to our webpage.

Pub Meal

Recently a pre Regatta Pub Meal was hastily organised at Braidies Tavern in Strathfieldsaye. The word was spread through our Facebook page and those who attended thoroughly enjoyed the evening.

Great work Andrea.

Let's pick a date and do it again in the not too distant future.

LABOUR DAY LONG WEEKEND
March 10-12
2018 State Titles
Hosted by Bendigo Yacht Club

Volunteers sought for this important event

Bendigo Yacht Club will be hosting the **2018 State Titles for the 125 and Javelin Associations** over the Labour Day Weekend, 10-12 March.

A large number of visitors will be arriving from Friday afternoon onwards.

Club members are encouraged to assist at this event, it is a great opportunity for us to showcase our facilities and expertise while providing a fund raising event.

If you can assist in any areas, please contact Ron Mason 0412 590 026 or
Andrea McGregor 0402 940 805.

Volunteers are sought to assist with the organisation of this event in the following areas:

On shore duties

Canteen staffing

3 shifts per day x 3 days

Saturday am/pm, Sunday am/pm and Monday am

Breakfast/lunch/dinner

Control room assistance

Raffle and social activities

Monitoring of clubroom amenities

Monitoring of camping areas and visitors

On water

3 days of racing

3 rescue boats

AM & PM shift

Minimum manned x 3 people each
boat

1 control boat

Assistance to Race Officer

X 3 days x 2 people

General Onshore assistance

Thankyou to our Wonderful Sponsors.

The regatta working group want to pass on our appreciation for the businesses that supported us with staging our regatta for Australia Day. We are proud of how you worked with us and hope to build these relationships into more events. Members can show support by joining the next picnic cruise to visit Armstead Estate for a family fun trip on Sunday 25 March and if a member needs a car upgrade, we know Poyser's are willing to help find that deal. We are also lucky to again have Goodall's for local sail repairs! Make sure you mention your personal thanks to help keep the club active. Special thanks and appreciation to:

Goodall Design

17 February

"Jack's Toy" Wins Wooden Dinghy Regatta.

Brian Carroll, son of our own master sailor Jack, was the winner of this year's Inverloch Classic Wooden Dinghy Regatta on the Australia Day weekend on the Sailfish **"Jack's Toy"**.

Jack and a mate designed and built the original Sailfish back in the 50's and many young sailors learnt their skills on this little boat. In recent years the Sailfish has had a revival and there have been quite a few restored and some new ones built.

Last year Brian set about building a new one using Jack's plans and named the boat in honour of his Dad, which Jack is quietly thrilled about.

Congratulations Brian.

Do You Recognise Any of the Items Below????

If so, please contact Rowan Gillies
0432 624 293 rowan.gillies@bigpond.com

The Three "R's"

Recently it became necessary to retrieve the halyard from the top of the flag pole. How? Get the THREE R's on the job. And was it necessary to lower the pole to the ground? Nah, not when the roof was that handy! Ron, Rob and Rowan soon made short work of that job!

Clubrooms housekeeping

Our cleaners come in on Friday afternoons to ensure the facilities are spick and span for the weekends, could you please help out by putting your chairs in stacks around the walls when you leave for day/weekend, Saturday or Sunday.

If the bathrooms have run out of toilet paper or the bins need emptying, please restock/empty in consideration of the next occupant.

There is a Recycling bin in the BBQ area for all recycling. Rubbish should be bagged and placed in the Cleanaway bin near the Boat shed. *Please don't put your rubbish in the recycling.*

If you notice something around the buildings and grounds that require attention, please let Ron Mason know, if it is in the caravan area, let Dan Forbes know, for the boat parking the go to person is Rowan Gillies. Other than that, any one of the committee will assist you.

Calling all female BeYc members!

Saturday 24 March 2018 is our annual Cath Gillies Memorial Ladies Skippers Race.

Entry fee of \$5 on the day. All proceeds will be donated to a charity chosen by the winning Lady Skipper.

Not a female? No problem! Everyone can and are encouraged to enter. Never raced? No problem either! Ask someone for a spot on their boat with them.

Males are welcome to dress up as a female to add to the fun. You could also ask a lady to skipper for you on the day.

Many prizes to be had.

Pacers will be available for hire with sailing school participants given priority. Stay on after the race for presentations. BYO drinks. Some nibbles provided.

Any queries please contact Di Floyd 0428 414774 difloyd@live.com.au

Be sure to join in the fun. A day not to be missed!

It's Cruising Time again!

***Sunday,
25 March***

To finish off the Sailing School training season, all students, general members and families are invited to take a leisurely cruise up the river.

Pack a picnic lunch and find a spot on a boat – yours, a club boat, a friend's boat, one of the cruiser's boats or the rescue boat.

The destination for this cruise is Armstead Estate where we will enjoy our picnic lunch on the lovely green lawn. You may remember tasting some of their wines or beer at the Australia Day Regatta!

<https://armsteadestate.com.au>

Cost for the cruise will be \$5 per family or single for the use of the Armstead Estate facilities. Should you decide to purchase a wine, this \$5 will be taken off your purchase!

Booking and payment are required by Saturday 11 March. You will find a list and money tin at the canteen.

Further details contact Di Floyd

0428 414774 difloyd@live.com.au

Sailing School Instructor's Profiles

What is your name?	Mick Floyd	
How old were you when you started sailing?	I was about 7 years old when I started sailing - on Green Lake near Horsham, with my Dad in a Mirror dinghy he had built.	
Why did you want to sail?	I started because Dad was sailing, but I obviously loved it because I haven't really stopped for almost 50 years since.	
What do you enjoy most about sailing?	The challenge of getting the most out of a boat in the conditions is probably what I enjoy most about sailing, but there are lots of other things too such as the excitement, the social side of it and the peacefulness of just mucking about in boats.	
What was your first special event and why?	The first special event is a hard one, there have been quite a few. Things I particularly remember is travelling to Lake Cootharaba when I was 16 for my first National Titles (Arafura Cadet), sailing to Tasmania in the Devonport race a couple of times and winning the Mosquito National Titles with Tom at Loch Sport in 2007. One of my earliest memories was in our family Mirror Dinghy, I was having a sail on my own on the Bay (Blairgowrie I think) and accidentally pulled a loose tooth out when I put the mainsheet in my mouth to hold it. The site and taste of the blood in my mouth was too much for me so I jumped out and swam the boat back to the beach gulping and spitting out salt water on the way. A good lesson in why you shouldn't use your mouth to hold the mainsheet.	

What is your name	Lillian Maher	
How old were you when you started sailing?	14	
Why did you want to sail?	Dad brought me to the Yacht Club in 2013 for a Discover Sailing Day, before which I really didn't know what sailing was! I loved it straight away and have done since.	
What do you enjoy about sailing?	I just love being out on the water, feeling the wind on my face and just being able to enjoy our beautiful lake.	
What was your first special event and why?	Sailing in my first race by myself, because I had been so nervous to do it, then I realised I could never improve if I didn't try! I realised it wasn't as scary as it seemed, and the feeling of accomplishment afterwards (even if I did come last!) made me wonder why I didn't just do it earlier.	

Sailability

Volunteer in 2017-2018 with Sailability Bendigo

Where: Rowing Club end of Lake Weeroona, Napier Street, Bendigo

When: Set up 9.15am and pack down 2.30-3pm
